

## SAINAR SOLUTIONS INC.

*Microsoft Dynamics 365 Business Central Specialists*

---

### Company Overview

Sainar Solutions Inc. is a specialized **Microsoft Dynamics 365 Business Central (BC)** consulting firm focused exclusively on **implementations, upgrades, and long-term support**. We help partners and customers successfully transition from legacy NAV systems to modern, scalable BC cloud environments.

---

### Core Expertise (Dynamics Focus Only)

- **Dynamics 365 Business Central (BC)**
    - End-to-end implementations
    - NAV to BC cloud upgrades
    - Customization & AL extensions
    - Data migration & system integrations
    - Performance optimization & issue resolution
- 

### Delivery Strength

- **20+ Certified Microsoft Dynamics NAV/BC consultants (U.S.)**
  - **20+ Offshore BC/NAV professionals**
  - Proven ability to **handle multiple BC projects simultaneously**
- 

### Engagement Models

- **Fixed-Cost / Fixed-Hours Projects** – Predictable pricing for defined scope engagements
  - **Managed Services** – Ongoing BC support, enhancements, and maintenance
  - **Dedicated Team Model** – Resources aligned as an extension of your team
  - **White-Label Delivery** – Seamless backend execution under partner branding
- 

### What We Do Best

- Take over and **stabilize struggling BC/NAV projects**
- Execute **fast-track NAV → BC cloud migrations**
- Support partners with **overflow implementation work**

- Deliver **highly competitive rates without compromising quality**
- 

## Partnership & Acquisition Focus

We are actively seeking:

- **Microsoft Dynamics partners** needing:
    - Overflow project support
    - Reliable delivery teams
    - Upgrade specialists
  - **BC/NAV practices open to:**
    - Strategic partnerships
    - Joint delivery models
    - **Succession planning or acquisition discussions**
- 

## Why Work with Us

- Deep focus on **Dynamics 365 Business Central only**
  - Strong track record in **NAV → BC upgrade execution**
  - Scalable team structure with **U.S. + offshore advantage**
  - Ability to **improve partner margins while maintaining high delivery standards**
-
